Create multiple mini 3" square "windows into the natural world" using watercolor! Making small abstract vignettes of our local beach and mountain world is so fun! Do you want to work larger? You can do that too!

Learn basic composition tips, color mixing, use of "negative" painting, and basic framing tips for your art. Come enjoy the challenging beauty of "wet into wet" watercolor. Bring a snack too; a willing heart and we will have fun creating together.

ALL supplies included!

Feel free to bring your own supplies if you have them.
